## 3" Saint-torpez with 2" tube

**Fabric cutting length: window opening height + 4 louvers**

## Saint-Tropez Fabric Drop Chart

| Cassette            | Tube        | Fabric    | Max drop | Max Diameter |
|---------------------|-------------|-----------|----------|--------------|
| 3" smart cassette   | 1-1/2" tube | 2" fabric | 6 feet   | 2 1/4"       |
| 3.5" smart cassette | 1-1/2" tube | 2" fabric | 10 feet  | 2 1/2"       |
|                     | 2" tube     | 3" fabric | 8.5 feet |              |
| 4" smart cassette   | 2" tube     | 3" fabric | 15 feet  | 3 1/8"       |

Note:

1. When fabric is in max drop, it is not recommended to use Stopper
2. Recommended max drop is for light filter fabric; For room darking fabric, max drop should be less
